#### Program Information:

- 1) A one time, once per family registration fee of \$20.00 is due at registration.
- 2) Lesson payment is due by student's first lesson of the month. The lesson charge is the lesson rate multiplied by the number of lessons during the month minus any credits.
- 3) A \$10.00 late fee will be assessed if payment is not received by the 10th of the month.
- 4) **Failure to pay for lessons by the 2nd lesson of the month will result in the student losing the reserved lesson slot, unless the student (or parent) has contacted BANG! Music.**
- 5) If lesson payments are paid late on a continuing basis, BANG! Music reserves the right to remove the student from the lesson program. The lesson payment is still due for that month as that time slot is still considered reserved for the remainder of the month.
- 6) There are **NO EXCUSED** absences except in the case of extreme family emergency. Our teachers are professional educators who have scheduled you to receive musical instruction at a reserved time and day. By registering for lessons, you are reserving your teacher's time and attention during your specific time slot. This time slot cannot be given to anyone else.
- 7) BANG! Music is closed on New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, and Christmas Day. No lessons will be given or billed for these days.
- 8) In the event of store closure due to inclement weather or teacher absence, a credit for the previously paid but missed lesson will be given in the next month's billing. If BANG! Music is open, and your teacher is present, **NO CREDIT** will be given for missed lessons.
- 9) Students may cancel their participation in the lesson program by giving a 30 day notice to BANG! Music. Teachers need this time to reschedule the time slot.
